Performance & Future Outlook

The last year ended with a rise in sales revenue by 7% from Rs 1771 lakhs to Rs 1889 lakhs despite dealing with a shortage of raw material as well as a reduction in orders due to the commencement of the GST. The sales have since picked up and the Company has achieved sales of Rs 590 lakhs in the first quarter this year, an increase of over 30% compared to the first quarter last year. The Company continues its efforts in maintaining product quality and customer satisfaction and is targeting sales of over 2000 tons during the current year, barring unforeseen circumstances.

The Company is undertaking the sale of unused assets to unlock their value and use the proceeds in a manner more productive and beneficial to the Company. In line with the same, the Company was able to sell its unused office premises and an un-utilized parcel of land situated at Vadodara.

Performance & Future Outlook of the wholly owned subsidiaries

Gujarat Polybutenes Private Limited

INDEPENDENT AUDITORS' REPORTS

To,
The Members of
M/s. **Gujarat Petrosynthese Ltd**

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Gujarat Petrosynthese Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provision of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2018;
- (b) in the case of the Statement of Profit and Loss (including Other Comprehensive Income), of the Profit for the year ended on that date;
- (c) in the case of the Statement of Changes in Equity, of the changes in equity for the year ended on that date; and
- (d) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraph 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The Balance Sheet, Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015;
- e. On the basis of written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, we report that none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position in financial statements;
 - ii) The Company did not have any long term contracts including derivatives contract for which there were any material foreseeable losses; and
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in our report to the members of Gujarat Petrosynthese Limited ('the Company') for the year ended on 31st March, 2018. We report that:

- i)
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b) The Management of the Company has physically verified the fixed assets in accordance with its policy of physical verification at reasonable intervals. The discrepancies, if any noticed during such verification have been suitably adjusted in the books of account. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii)
 - a) According to the information and explanations given to us, the management has conducted physical verification of the inventories at reasonable intervals.
 - b) In our opinion and according to the information and explanations given to us, the procedures followed by the management for physical verification of inventory are reasonable and adequate in relation to the size of the Company and the nature of the business.
 - c) No material discrepancies have been noticed on physical verification of the stocks as compared to book records in so far as it appears from our examination of the books.
- iii) According to the information and explanations given to us and on the basis of our examination of books of account, the Company has granted unsecured loan to company covered in the register maintained under section 189 of the Companies Act, 2013.
 - a) The terms and conditions of the loan given are not prejudicial to the Company's interest.
 - b) The schedule of repayment of principal has not been stipulated by the Company and hence, we are unable to make any comment on the regularity of repayment of principal.
 - c) The repayment terms are 'On demand' and hence, there is no overdue amount of principal.

- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made; the Company has not given any guarantee or security.
- v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public.
- vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules, 2011 prescribed by the Central Government under Section 148(1) of the Act, and are of the opinion that prima facie the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii) a) According to the records of the Company, undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues have been regularly deposited with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of aforesaid dues were outstanding as at 31st March, 2018 for a period of more than six months from the date it became payable.
- b) According to the records of the Company and information and explanations given to us and the records of the Company examined by us, there are no pending dues to be deposited of income tax, sales tax or service tax or duty of customs or duty of excise or value added tax on account of any disputes.
- viii) On the basis of our examination of the books and according to the information and explanations given to us, during the year, there are no defaults in repayment of dues to financial institutions, banks, Government or debenture holders.
- ix) The Company has not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
- x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards
- xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

ANNEXURE – ‘B’ TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF GUJARAT PETROSYNTHESE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls over financial reporting of Gujarat Petrosynthese Limited (‘the Company’) as of 31st March, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2018**CORPORATE INFORMATION**

GUJARAT PETROSYNTHESE LIMITED (“the Company”) is a public limited company, incorporated and domiciled in India having its registered office at No. 24, II Main Phase I, Donnanekkundi Industrial Area Mahadevpura Post Bengaluru 546048 Karnataka, India. The equity shares of the Company are listed on BSE Limited. The Company is primarily engaged in the business of plastic polymers and blends.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**(i) Basis of preparation:**

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (“the Act”) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements have been prepared on historical cost basis except for certain financial assets and liabilities, which are measured at fair value.

The financial statements up to year ended March 31, 2017 were prepared in accordance with the accounting standards notified under section 133 of the Act read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (“Indian GAAP”) and the relevant provisions of the Act as applicable. These financial statements are the first financial statements of the Company under Ind AS. Please refer to Note 3 for information on first time adoption of Ind AS. Current Assets do not include elements which are not expected to be realised within 1 year and Current Liabilities do not include items which are due after 1 year, the period of 1 year being reckoned from the reporting date.

(ii) Fair value measurement

The Company’s accounting policies and disclosures require the measurement of fair values for financial assets and liabilities.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(iii) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognized when all significant risk and rewards of ownership in goods are transferred to customers and recovery of consideration from customer is probable and revenue can be estimated reliably. Revenue is recognized net of trade discounts and indirect taxes.

Revenue from rendering services is recognized when performance of agreed contractual task is completed.

Interest income is recognized on accrual basis on time proportion basis using effective interest rate.

Dividend income is accounted when right to receive is established.

(iv) Property, Plant and Equipment:**Recognition and measurement:**

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment, if any. The cost of property, plant and equipment includes purchase price, including freight, duties, taxes and expenses incidental to acquisition and installation. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Property, plant and equipment are derecognized from financial statements, either on disposal or when no economic benefits are expected from its use or disposal. The gain or losses arising from disposal of property, plant and equipment are recognized in the Statement of Profit and Loss in the year of occurrence.

Subsequent expenditures:

Subsequent expenditures related to an item of property, plant and equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured. All other repair and maintenance costs are recognized in the Statement of Profit and Loss during the year in which they are incurred.

Depreciation:

Depreciation is provided on all property, plant and equipment on straight-line method in the manner and useful life prescribed in Schedule II of the Companies Act, 2013. Depreciation on additions/deletion is provided on pro-rata basis with reference to the date of addition/deletion as the case may be.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 01 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Company has adopted cost model for all class of items of Property Plant and Equipment.

(v) Impairment of Non-Financial Assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or cash generating unit's (CGU) fair value less costs of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. If such recoverable amount of the asset or cash generating unit is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the Balance Sheet date there is any indication that any impairment loss recognized for an asset in prior years may no longer exist or may have decreased, the recoverable amount is reassessed and such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss..

(vi) Assets taken on Lease:**Operating Lease**

A Lease in which a significant portion of the risks and rewards of ownership are not transferred to the Company is classified as operating lease. Payments made under operating lease are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with the expected general inflation to compensate for the lessor's expected inflationary cost increases.

Lease deposits given are financial instruments (financial assets) and need to be measured at fair value on initial recognition. The difference between the fair value and the value of deposits is considered as prepaid rental expenses and recognized over the lease term on a straight line basis. Unwinding of discount is treated as interest income for deposit given and is accrued as per the effective interest rate method.

(vii) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial Assets**Initial recognition and measurement**

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified as under:

i) Financial assets at amortised cost

A financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. Interest income from these financial assets is included in other income using the EIR in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

ii) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are classified as FVTOCI, if both of the following criteria are met:

- These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Fair value movements are recognised in the other comprehensive income (OCI), except for the recognition of impairment gains or losses, interest income and foreign exchange gains or losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to Profit or Loss and recognised in other income/(loss).

iii) Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is recognized in profit or loss and presented net in the Statement of Profit and Loss within other income in the period in which it arises.

iv) Equity instruments

All equity instruments are measured at fair value. Equity instruments which are for trading are classified as FVTPL. All other equity instruments are measured at fair value through other comprehensive income (FVTOCI). The classification is made on initial recognition and is irrevocable.

Where the Company's management has elected to present fair value gains and losses on equity instruments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in profit and loss when the Company's right to receive payments is established.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Impairment of financial assets

The Company applies 'simplified approach' for recognition of impairment loss on financial assets for loans, deposits and trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime Expected Credit Loss at each reporting date, right from its initial recognition.

De-recognition

A financial asset is derecognized when:

- the rights to receive cash flows from the assets have expired or
- the Company has transferred substantially all the risk and rewards of the asset, or
- the Company has neither transferred nor retained substantially all the risk and rewards of the asset, but has transferred control of the asset.

Financial Liabilities

• Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction cost.

• Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to short maturity of these instruments.

- **Loans and borrowings**

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using Effective Interest Rate (EIR) method. Gain and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transaction costs. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

- **Derecognition**

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

- **Offsetting financial instruments**

Financial assets and financial liabilities are offset and the net amount is reflected in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(viii) Inventories:

Raw Materials and consumables are valued at cost on First in First out (FIFO) basis or net realizable value whichever is lower. Raw material and consumables are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost includes the fair value of consideration paid including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase. Trade discounts and rebates are deducted in determining the cost of purchase.

Work in progress is valued at cost basis or net realizable value whichever is lower. They are not written down below cost if the finished products are expected to be sold at or above cost.

Finished goods are valued at lower of cost or net realizable value. The cost is computed on specific identification basis

Stores and spares are charged to revenue in the year of purchase.

Consumables are charged to revenue on actual consumption basis.

(ix) Taxes:

The tax expense comprises current and deferred tax. Tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI.

i. **Current Tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantially enacted at the reporting date.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

ii. **Deferred Tax**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities for financial reporting purpose and the amount used for taxation purposes.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

(x) Employee benefits:**Short term employee benefits:**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

Defined contribution plans:

The Company's contribution to Provident Fund, Pension, Superannuation and Employees State Insurance Contribution are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contribution made to the respective fund/scheme and are charged as an expense based on the amount of contribution required to be made.

Defined benefit plans:

The liability recognized in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period.

The liability of gratuity to the employees is covered under the Group Gratuity scheme with the Life Insurance Corporation of India. The annual service cost on basis of valuation received from LIC, the amount is paid to LIC of India and debited to Profit and Loss Account.

Long Term Compensated Absences

The liability of leave encashment of employees is covered with LIC. On basis of Actuarial Valuations, the present value of liability is accounted and paid to the LIC of India.

(xi) Borrowing Costs:

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

All other borrowing costs are recognized as expense in the period in which these are incurred.

(xii) Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

(xiii) Provisions & Contingent Liabilities:

The Company recognizes a provision when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

(xiv) Earnings per share

Basic earnings per share is calculated by dividing the net profit / (loss) for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(xv) Dividend

Dividend to the equity shareholders is recognized as a liability in the Company's financial statements in the period in which the dividend is approved by the shareholders.

(xvi) Foreign Exchange Transactions

Foreign currency transactions are accounted for at the exchange rates prevailing on the date of such transactions where these are not covered by forward contracts. Liabilities in foreign currencies as on the date of balance sheet are converted at the exchange rate prevailing on that date.

2. USE OF ESTIMATES AND JUDGEMENTS

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets, liabilities, income, expenses and

disclosures of contingent liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognized prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

i. Recognition and measurement of defined benefit obligations

The cost of defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuations using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of discount rate, future salary increase and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

ii. Fair value measurement of financial instruments

When the fair values of the financial assets and liabilities recorded in the balance sheet cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from the observable market, where possible, but where this is not feasible, a review of judgement is required in establishing fair values. Changes in assumptions relating to these assumptions could affect the fair value of financial instruments.

iii. Deferred taxes

Deferred tax is recorded on temporary differences between tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profit during the periods in which those temporary differences and the tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward periods are reduced.

3. FIRST TIME ADOPTION OF IND AS

The accounting policies set out in note 1 have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet as at April 01, 2016 (the Company's date of transition to Ind AS). In preparing its opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Act ("Indian GAAP" or "previous GAAP"). The effects of the transition to Ind AS on equity, total comprehensive income and reported cash flows are presented in this section and are further explained in the following notes.

Ind AS 101 allows first-time adopters certain exemptions/exceptions from the retrospective application of certain requirements under Ind AS. In preparing these financial statements, the Company has applied the following exemptions:

Ind AS Optional Exemptions:

Deemed cost for property, plant and equipment

Ind AS 101 permits a first time adopter to elect to continue with the carrying value for all its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure all of its property, plant and equipment at their previous GAAP carrying value and use that as its deemed cost as at the date of transition (April 01,2016).

Designation of previously recognized financial instruments

Ind AS 101 permits a first time adopter to elect to continue with the carrying value for all its investment in subsidiaries as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure its investment in subsidiaries at their previous GAAP carrying value and use that as its deemed cost as at the date of transition (April 01,2016).

Reconciliation

The following reconciliations provide the effect of transition to Ind AS from previous GAAP in accordance with Ind AS 101:

- Equity as at April 01, 2016 and as at March 31, 2017
- Total comprehensive income for the year ended March 31, 2017

Reconciliation of total equity as at March 31, 2017 and April 1, 2016

("000")

	Notes	As at March 31, 2017 (End of last period presented under previous GAAP)	As at April 01, 2016 (Date of transition)

Reconciliation of total comprehensive income for the year ended March 31, 2017

	Notes	Year ended March 31, 2017 (latest period presented under previous GAAP)
Profit as per previous GAAP		4,106
Adjustments:		
Fair Value of Investments	a	75
Reversal of depreciation on classified as assets held for sale	b	194
Recognition of Prior Period Income by restating it in last presented financial statements	c	270
Recognition of Prior Period Expense by restating it in last presented financial statements	c	(173)
Deferred Tax impact on fair value of investments	d	(22)
Profit for the year as per Ind AS		4,450
Other comprehensive income for the year (net of tax)		
Total comprehensive income for the year under Ind AS		4,450

Impact of Ind AS adoption on the Statement of Cash Flow for the year ended March 31, 2017

There were no material differences between the Cash Flow Statement presented under Ind AS and the previous GAAP.

Notes:

- Under the previous GAAP current investments were measured at lower of cost or fair value. Under Ind AS, these financial assets have been designated as measured at FVTPL. On the date of transition to Ind AS, these financial assets have been measured at their fair value which is higher than the cost as per the previous GAAP, resulting in an increase in the carrying amount by Rs. 75,000 as at March 31, 2017
- Depreciation of Rs. 1,94,000 charged to Statement of Profit and Loss is reversed on those assets that were classified as "Fixed Asset" as per Previous GAAP and now classified as "Assets held for Sale" in accordance with Ind AS.
- In accordance with IND AS prior period items is to be restated in previous period if they are pertaining to periods that are presented as comparative figures to financial Statements. Thus accordingly the prior period items are restated.
- Deferred taxes have been recognized on adjustments made on transition to Ind AS.

INDEPENDENT AUDITORS REPORT TO THE MEMBERS

Independent Auditor's Report

To the Members of Gujarat Polybutenes Pvt. Ltd.

Report on the Financial Statements:

We have audited the accompanying financial statements of Gujarat Polybutenes Pvt. Ltd., which comprise the balance sheet as at 31st March 2018, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018 and its Loss and its cash flows for the year ended on that date;

Emphasis of Matters:

We draw attention to the following matters in the notes to the financial statements:

1. Note 28 : Relating to Going Concern Concept.
2. Note: 24 : which relating to uncertainty of outcome of the Appeals filed with Commercial Tax Department, service tax, Excise department and Income Tax.
3. Note 30 : Relating to non provision of Deferred Tax Asset / Liability.
Our opinion is not modified in respect of these matters

Other matter:

The financial information included in Ind AS financial statements are based on financial information previously prepared in accordance with the Companies (Accounting standard) rules, 2006 and have been restated to comply with Ind AS. Adjustments made to the financial information previously prepared accordance with the Companies(Accounting standards) rules, 2006 to comply with Ind AS.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143 (3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The balance sheet, the statement of profit and loss account including other comprehensive income, cash flow statement and statement of changes in equity dealt with by this Report are in agreement with the books of account;

3) Significant Accounting Policies:

Adoption of Indian Accounting Standards:

The financial statements have been prepared for the year ended March 31, 2018 in accordance with the Indian Accounting Standards(Ind AS) notified of the Companies Act, 2013 read with Companies(Indian accounting standards) rules, 2015 and amended rules, 2016 and other relevant provisions of the Act and rules amended thereunder. The financial statements for the year ended on 31.03.2018 are the Company's first Ind AS financial statements. For the period upto financial year ended on 31.03.2017, the Company prepared its financial statements in accordance with accounting standards notified U/s 133 of the Company's Act 2013 read with Company's (accounts) rules, 2014(Indian GAAP).

The transition was carried out from the Accounting Standard as prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, (previous GAAP). Refer to Note No. 34 for the first time adoption of Ind AS.

3.1) Basis of preparation and presentation :

These financial statements for the year ended March 31, 2018 are the first financial statements that the company has prepared in accordance with Ind AS.

The financial statements have been prepared on the historical cost basis. The Company generally follows the Mercantile System of accounting and recognizes significant items of income and expenditure on accrual basis except insurance claims and refunds from Government authorities.

3.2) Revenue reorganization:

Revenue on sale of goods are recognized as and when the amount of revenue can be reasonably measured, when it is probable that future economic benefits will flow to the Company and significant risks and rewards of ownership have been transferred to the buyer. Revenue includes excise duty but excludes VAT and discounts.

Interest income and expenses are reported on accrual basis. Dividends are recognized at the time on the receipt basis.

3.3) Operating Cycle:

Based on the nature of activities, the Company has determined its operating cycle as 12 months for the purpose of classification of assets and liabilities as current and non-current.

3.4) Operating expenses:

Operating expenses are recognized in the statement of profit and loss upon the utilization of the service or as incurred.

3.5) Segment Reporting:

The Company is engaged in the business of manufacturing and selling polybutenes and its Byproducts which constitute a single business segment. Therefore, no allocation of resources and assessing performance is required to be disclosed.

3.6) Property, Plant & Equipments:

Leasehold land is carried at historical cost. All other items of property, plant and equipments are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The initial cost of assets comprises fixed purchase price including incidental expenses related to acquisition and installation.

The Company has chosen the carrying value of all its property, plant and equipment as at 01.04.2015 measured as per previous GAAP and used that carrying value as deemed cost of all property, plant and equipments.

3.7) Depreciation / amortization:

The company follows the Written down Value method of Depreciation on pro- rata basis as per the rates prescribed in the Schedule II of the Companies Act, 2013, except for the following assets where depreciation is charged on a pro-rata basis over the estimated useful life of the assets based on technical advice taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset and the past history of replacement.

Assets class	Depreciation
Factory building	30 Years
Plant and equipment including pipelines	20 Years

- Stores and spares are charged to revenue in the year of purchase.
- Consumables are charged to revenue on actual consumption basis.

3.11) **Taxes on Income:**

- Current Tax: Provision for Income Tax is determined in accordance with the Provisions of Income Tax Act, 1961.
- Deferred Tax Provision: Deferred Tax is recognized on timing difference being difference between taxable income and accounting income that originated in one period and is capable of reversal in one or more subsequent period(s).

3.12) **Investments:**

The Company has elected to recognize its investment in mutual funds at cost.

3.13) **Provisions, contingent liabilities and contingent assets:**

Provisions:

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liabilities:

Contingent liabilities are disclosed for (i) possible obligations which will be confirmed only by the future events not wholly within the control of the Company or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets:

Contingent assets are not recognized in the financial statements. Contingent assets if any are disclosed in the notes to the financial statements.

24. **Contingent Liabilities:**

- (i) Contingent liability for letter of credit is of Rs. NIL (P.Y. Nil).
- (ii) As per Assessment orders of commercial tax department Vadodara, the CST liability of Rs. Rs. 46,69,947 for FY 2011-12 and FY 2012-13 are contested in appeal before Dy. Commissioner of Commercial Tax Vadodara. Deposit of Rs. 4,47,000/- is made towards above liability. No provision is made for the said liability.
- (iii) Service tax & penalty 46,676/- for the period 2007-08 to 2011-12 is not accepted by the Company and the same is contested in appeal. Cenvat credit of Rs. 32,149/- for the F Y 2010-11 & 2011-12 is not considered eligible for deduction by the excise department which is contested in appeal. In the event of adverse appellate orders, the above sums will be required to be paid with interest if any, which may reduce net profit of the year.
- (iv) The Company has received Income Tax Assessment Order for Asst. Year 2014-15. The loss claimed as per Return of Income of Rs. 2,02,07,941/- has been reduced due to disallowance of depreciation of Rs. 33,32,341/- and addition on account of non reconciliation of interest of Rs. 23,81,548/-. Therefore, loss has been reduced to Rs. 1,44,94,052/-. Since, final figure is loss determined, no demand of tax is raised. We have been informed that the Company has belatedly filed an appeal against the said assessment order. The penalty proceedings have been completed u/s 271(1)(c) of the Income Tax Act levying penalty of Rs. 19,42,150/-. Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed mutual funds that have quoted price.

Risk management framework:

The Company's principal financial liabilities include borrowing, trade and other payables. The Company's principal financial assets include investments, cash and cash equivalents etc.

c) Financial risk management:

The Company has exposure to the following risks arising from financial instruments.

- i) Credit Risk
- ii) Liquidity Risk
- iii) Market Risk

i) Credit Risk:

There is no credit risk as there are no trade receivables and other financial assets.

ii) Liquidity Risk:

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities that are to be settled by delivering cash or other financial assets. A Company has no sufficient liquid assets to meet its current liabilities. Following are the remaining contractual maturities of financial liabilities at reporting date.

iii) **Market Risk:**

Market risk is the risk that changes in market prices such as interest rates and commodity prices will affect the Company's income or value of its holding of financial instruments.

a) **Currency risk:**

Currency risk is not material. The Company's primary business activities are within India and do not have exposure in foreign currency.

b) **Interest rate risk:**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to risk of changes in market interest rate is with regard to investment in fixed deposits with banks and mutual funds which is considered insignificant.

c) **Commodity risk:**

The Company is exposed to fluctuation in prices of its inputs. However, presently there is no such risk as the Company has suspended manufacturing.

28. **Capital management:**a) **Going concern concept:**

The Company has accumulated losses resulting in substantial erosion in its net-worth. Due to non availability of feed stock in near proximity and lack of orders on hand, no activity was carried out during the year and in the previous year. Manufacturing activity of the company is closed. The above conditions indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the financial statements have been prepared on a going concern basis since the management is looking at various options including other avenues for business activities.

The Company's management is hopeful of managing its capital to ensure that it will be able to continue as a going concern with support of its holding company.

b) The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirements are met through short term / long term borrowings. The Company's net debt to equity ratio is as follows.

Particulars	March, 2018	March, 2017	March, 2016

INDEPENDENT AUDITOR'S REPORT

To the Members of

GPL FINANCE AND INVESTMENTS LIMITED
Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **GPL FINANCE AND INVESTMENTS LIMITED** ('the Company'), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provision of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide audit opinion on the financial statement.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

GPL Finance and Investments Limited

ANNEXURE – ‘B’ TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS GPL FINANCE AND INVESTMENTS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls over financial reporting of **GPL Finance And Investments Limited** (“the Company”) as of 31st March, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE 1

SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting:

Company is registered as a Non-Banking Financial Company with Reserve Bank of India.

The financial statements have been prepared to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared under the historical cost convention on an accrual basis.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2. Revenue Recognition:

- a. Interest income is recognized on time proportionate basis.
- b. Dividend income from investments is recognized when the right to receive the dividend is established.
- c. Claims and damages are accounted as and when they are finalized.

3. Cash Flow Statements:

Cash flow statement is prepared in accordance with the indirect method prescribed under Accounting Standard (AS) 3 “Cash Flow Statements” issued by the Institute of Chartered Accountants of India.

4. Investments:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

5. Earning per Share (EPS):

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

6. Provision for Current and Deferred Tax:

- a. Provision for the current tax is made after taking into considering benefits admissible under the provisions of the Income Tax Act, 1961.
- b. Deferred Tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. Deferred tax assets are reviewed at each balance sheet date and is written down or written up to reflect the amount that is reasonably or virtually certain, as the case may be, to be realized.

7. Provisions:

A provision is recognized when the company has a present obligation as a result of past events and it is probable that there will be an outflow of resources to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

8. Contingent Liabilities:

Contingent liabilities, if any are disclosed in the notes on accounts. Provision is made in the accounts in respect of those contingencies which are likely to materialize into liabilities after the year end till the approval of the accounts by the board of directors and which have material effect on the position stated in the balance sheet.

**AUDITORS' REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS TO THE
BOARD OF DIRECTORS OF GUJARAT PETROSYNTESES LIMITED**

To
The Members of
Gujarat Petrosynthese Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Gujarat Petrosynthese Limited** ('the Company') and its subsidiary (collectively referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2018, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder:

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statement.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- a) in the case of the Consolidated Balance Sheet, of the consolidated state of affairs of the Group as at March 31, 2018;
- b) in the case of the Consolidated Statement of Profit and Loss, of the consolidated loss for the year ended on that date; and
- c) in the case of the Consolidated Statement of Changes in Equity, of the changes in equity for the year ended on that date; and
- d) in the case of the Consolidated Cash Flow Statement, of the consolidated cash flows for the year ended on that date.

Emphasis of Matter

As reported by another auditor in standalone financial statements of subsidiary, we draw your attention to Note 40 of the Consolidated Financial statements, which indicates that one of the subsidiary which have been audited by another auditor has accumulated losses and its net worth has been fully eroded. However, the financial statements of the subsidiary have been prepared on a going concern basis for the reason stated in the said note.

Other Matters

We did not audit the financial statements of two subsidiaries whose financial statements reflect total assets of Rs.6,93,03,000 as at 31st March, 2018, total revenues of Rs.26,27,000 for the year ended on that date, as considered in the consolidated financial statements. These financial have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditor and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as appears from our examination of those books and the reports of the other auditors;
 - c. The consolidated Balance Sheet, consolidated Statement of Profit and Loss, and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015;
 - e. On the basis of written representations received from the directors of the Company as on 31st March, 2018 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
 - g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The consolidated financial statements does not have any pending litigations which will impact on the consolidated financial position of the Group;
 - ii) Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.

ANNEXURE – ‘A’ TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF GUJARAT PETROSYNTHESE LIMITED AND ITS SUBSIDIARY COMPANIES

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31st March 2018, we have audited the internal financial controls over financial reporting of **Gujarat Petrosynthese Limited** (‘the Company’) and its subsidiary companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Group’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Group’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group’s internal financial control over financial reporting includes those policies and procedures that

Gujarat Petrosynthese Limited

- (1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorizations of management and directors of the Group; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to two subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

- Market Risk

i) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans given to related parties and others

The carrying amount of following financial assets represents the maximum credit exposure:

Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. To manage this, the Company periodically assess the financial reliability of customers, taking into account the financial condition and ageing of account receivables.

No impairment is observed on the carrying value of trade receivables.

Other Financial Assets

Credit risk from balances with banks, loans, investments is managed by Company's finance department. Investments of surplus funds are made only with approved counterparties.

ii) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation.

The Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank loans.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date.

iii) Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market exposures within acceptable parameters, while optimising the return.

Currency risk

Currency risk is not material, as the Company's primary business activities are within India and does not have any exposure in foreign currency.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to risk of changes in market interest rate is not material as the Company borrowing from banks are very minimal

Commodity price risk

Company is exposed to fluctuation in prices of its inputs. The company in effect of changes in prices of inputs, have a process to revise its selling price accordingly.

34. CAPITAL MANAGEMENT

The Company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The capital structure of the Company consists of net debt and the total equity of the Company. For this purpose, net debt is defined as total borrowings less cash and cash equivalents.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirements are met through short-term/long-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The Company's net debt to equity ratio is as follows:

	March 31,2018	March 31,2017	April 01,2016
Borrowing	23,964	16,700	58,225

Therefore, loss has been reduced to Rs. 1,44,94,052/-. Since, final figure is loss determined, no demand of tax is raised. We have been informed that the company has belatedly filed an appeal against the said assessment order. The penalty proceedings have been completed u/s 271(1)(c) of the Income Tax Act levying penalty of Rs. 19,42,150/-. The part payment of Rs. 4,00,000/- is made against penalty demand till decision of appeal. No provision is made for the said liability.

40. Going Concern Assumption for Gujarat Polybutenese Private Limited (Subsidiary) :

The company has accumulated losses resulting in substantial erosion in its net-worth. Due to non availability of feed stock in near proximity and lack of orders on hand, no activity was carried out during the year and in the previous year. Manufacturing activity of the company is closed. The above conditions indicate the existence of material uncertainty that may cast significant doubt about company's ability to continue as a going concern. However, the financial statements have been prepared on a going concern basis since the management is looking at various options including other avenues for business activities. Company's management is hopeful of managing its capital to ensure that it will be able to continue as going concern with support of its holding company.

Gujarat Petrosynthese Limited (“the Company”) is a public limited company, incorporated and domiciled in India having its registered office at No. 24, II Main Phase I, Doddanekkundi Industrial Area, Mahadevpura Post, Bengaluru - 560 048, Karnataka, India. The equity shares of the Company are listed on BSE Limited. The Company is into real estate development. The Company is primarily engaged in the business of plastic polymers and blends.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**(i) Basis of preparation:**

The consolidated financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (“the Act”) read together with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act. The consolidated financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities, which are measured at fair value.

The financial statements up to year ended March 31, 2017 were prepared in accordance with the Accounting Standards notified under Section 133 of the Act read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (“Indian GAAP”) and the relevant provisions of the Act as applicable. These consolidated financial statements are the first consolidated financial statements of the Company under Ind AS. Refer to Note 3 for information on first time adoption of Ind AS. Current Assets do not include elements which are not expected to be realised within 1 year and Current Liabilities do not include items which are due after 1 year, the period of 1 year being reckoned from the reporting date.

(ii) Principles of consolidation**• Subsidiary**

The Consolidated Financial Statement comprises of Gujarat Petrosynthese Limited (“the Company”) and its subsidiaries GPL Finance and Investments Ltd. and Gujarat Polybutene Private Limited.

Subsidiary companies are incorporated in India. The Company holds 100% equity in both of its subsidiaries company.

The financial statements of the Company and its subsidiary companies have been on line by line basis added together of like items of assets, liabilities, income and expenses after fully eliminating inter-company balances and inter-company transactions resulting in unrealized profits or losses.

(iii) Fair value measurement

The Company’s accounting policies and disclosures require the measurement of fair values for financial assets and liabilities.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(iv) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognized when all significant risk and rewards of ownership in goods are transferred to customers and recovery of consideration from customer is probable and revenue can be estimated reliably. Revenue is recognized net of trade discounts and indirect taxes.

Revenue from rendering services is recognized when performance of agreed contractual task is completed.

Interest income is recognized on accrual basis on time proportion basis using effective interest rate.

Dividend income is accounted when right to receive is established.

(v) Property, Plant and Equipment:**Recognition and measurement:**

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment, if any. The cost of property, plant and equipment includes purchase price, including freight, duties, taxes and expenses incidental to acquisition and installation. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Property, plant and equipment are derecognized from financial statements, either on disposal or when no economic benefits are expected from its use or disposal. The gain or losses arising from disposal of property, plant and equipment are recognized in the Statement of Profit and Loss in the year of occurrence.

Subsequent expenditures:

Subsequent expenditures related to an item of property, plant and equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured. All other repair and maintenance costs are recognized in the Statement of Profit and Loss during the year in which they are incurred.

Depreciation:

Depreciation is provided on all property, plant and equipment on straight-line method in the manner and useful life prescribed in Schedule II of the Companies Act, 2013. Depreciation on additions/deletion is provided on pro-rata basis with reference to the date of addition/deletion as the case may be.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 01 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Company has adopted cost model for all class of items of Property Plant and Equipment.

(vi) Impairment of Non-Financial Assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or cash generating unit's (CGU) fair value less costs of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. If such recoverable amount of the asset or cash generating unit is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the Balance Sheet date there is any indication that any impairment loss recognized for an asset in prior years may no longer exist or may have decreased, the recoverable amount is reassessed and such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

(vii) Assets taken on Lease:**Operating Lease**

A Lease in which a significant portion of the risks and rewards of ownership are not transferred to the Company is classified as operating lease. Payments made under operating lease are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with the expected general inflation to compensate for the lessor's expected inflationary cost increases.

Lease deposits given are financial instruments (financial assets) and need to be measured at fair value on initial recognition. The difference between the fair value and the value of deposits is considered as prepaid rental expenses and recognized over the lease term on a straight line basis. Unwinding of discount is treated as interest income for deposit given and is accrued as per the effective interest rate method.

(viii) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial Assets**Initial recognition and measurement**

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified as under:

i) Financial assets at amortized cost

A financial asset is measured at the amortized cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. Interest income from these financial assets is included in other income using the EIR in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

ii) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are classified as FVTOCI, if both of the following criteria are met:

- These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Fair value movements are recognised in the other comprehensive income (OCI), except for the recognition of impairment gains or losses, interest income and foreign exchange gains or losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to Profit or Loss and recognised in other income/(loss).

iii) Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is recognized in profit or loss and presented net in the Statement of Profit and Loss within other income in the period in which it arises.

iv) Equity instruments

All equity instruments are measured at fair value. Equity instruments which are for trading are classified as FVTPL. All other equity instruments are measured at fair value through other comprehensive income (FVTOCI). The classification is made on initial recognition and is irrevocable.

Where the Company's management has elected to present fair value gains and losses on equity instruments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in profit and loss when the Company's right to receive payments is established.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Impairment of financial assets

The Company applies 'simplified approach' for recognition of impairment loss on financial assets for loans, deposits and trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime Expected Credit Loss at each reporting date, right from its initial recognition.

De-recognition

A financial asset is derecognized when:

- the rights to receive cash flows from the assets have expired or
- the Company has transferred substantially all the risk and rewards of the asset, or
- the Company has neither transferred nor retained substantially all the risk and rewards of the asset, but has transferred control of the asset.

Financial Liabilities**• Initial recognition and measurement**

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction cost.

• Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the effective interest rate method. For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to short maturity of these instruments.

• Loans and borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using Effective Interest Rate (EIR) method. Gain and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized.

Amortized cost is calculated by taking into account any discount or premium on acquisition and transaction costs. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

• Derecognition

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

• Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reflected in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(ix) Inventories:

Raw Materials and consumables are valued at cost on First in First out (FIFO) basis or net realizable value whichever is lower. Raw material and consumables are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost includes the fair value of consideration paid including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase. Trade discounts and rebates are deducted in determining the cost of purchase.

Work in progress is valued at cost basis or net realizable value whichever is lower. They are not written down below cost if the finished products are expected to be sold at or above cost.

Finished goods are valued at lower of cost or net realizable value. The cost is computed on specific identification basis

Stores and spares are charged to revenue in the year of purchase.

Consumables are charged to revenue on actual consumption basis.

(x) Taxes:

The tax expense comprises current and deferred tax. Tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI.

i. Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantially enacted at the reporting date.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

ii. Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities for financial reporting purpose and the amount used for taxation purposes.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

(xi) Employee benefits:

Short term employee benefits:

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

Defined contribution plans:

The Company's contribution to Provident Fund, Pension, Superannuation and Employees State Insurance Contribution are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contribution made to the respective fund/scheme and are charged as an expense based on the amount of contribution required to be made.

Defined benefit plans:

The liability recognized in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period.

The liability of gratuity to the employees is covered under the Group Gratuity scheme with the Life Insurance Corporation of India. The annual service cost on basis of valuation received from LIC, the amount is paid to LIC of India and debited to Profit and Loss Account.

Long Term Compensated Absences

The liability of leave encashment of employees is covered with LIC. On basis of Actuarial Valuations, the present value of liability is accounted and paid to the LIC of India.

(xii) Borrowing Costs:

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

All other borrowing costs are recognized as expense in the period in which these are incurred.

(xiii) Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

(xiv) Provisions & Contingent Liabilities:

The Company recognizes a provision when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

(xv) Earnings per share

Basic earnings per share is calculated by dividing the net profit / (loss) for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(xvi) Dividend

Dividend to the equity shareholders is recognized as a liability in the Company's financial statements in the period in which the dividend is approved by the shareholders.

(xvii) Foreign Exchange Transactions

Foreign currency transactions are accounted for at the exchange rates prevailing on the date of such transactions where these are not covered by forward contracts. Liabilities in foreign currencies as on the date of balance sheet are converted at the exchange rate prevailing on that date.

2. USE OF ESTIMATES AND JUDGEMENTS

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets, liabilities, income, expenses and disclosures of contingent liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

i. Recognition and measurement of defined benefit obligations

The cost of defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuations using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of discount rate, future salary increase and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

ii. Fair value measurement of financial instruments

When the fair values of the financial assets and liabilities recorded in the balance sheet cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from the observable market, where possible, but where this is not feasible, a review of judgement is required in establishing fair values. Changes in assumptions relating to these assumptions could affect the fair value of financial instruments.

iii. Deferred taxes

Deferred tax is recorded on temporary differences between tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profit during the periods in which those temporary differences and the tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward periods are reduced.

3. FIRST TIME ADOPTION OF IND AS

The accounting policies set out in note 1 have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet as at April 01, 2016 (the Company's date of transition to Ind AS). In preparing its opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Act ("Indian GAAP" or "previous GAAP"). The effects of the transition to Ind AS on equity, total comprehensive income and reported cash flows are presented in this section and are further explained in the following notes.

Ind AS 101 allows first-time adopters certain exemptions/exceptions from the retrospective application of certain requirements under Ind AS. In preparing these financial statements, the Company has applied the following exemptions:

Ind AS Optional Exemptions:**Deemed cost for property, plant and equipment**

Ind AS 101 permits a first time adopter to elect to continue with the carrying value for all its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure all of its property, plant and equipment at their previous GAAP carrying value and use that as its deemed cost as at the date of transition (April 01,2016).

Designation of previously recognized financial instruments

Ind AS 101 permits a first time adopter to elect to continue with the carrying value for all its investment in subsidiaries as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure its investment in subsidiaries at their previous GAAP carrying value and use that as its deemed cost as at the date of transition (April 01,2016).

Reconciliation

The following reconciliations provide the effect of transition to Ind AS from previous GAAP in accordance with Ind AS 101:

- a. Equity as at April 01,2016 and as at March 31,2017
- b. Total comprehensive income for the year ended March 31, 2017

Reconciliation of total equity as at March 31, 2017 and April 1, 2016

Impact of Ind AS adoption on the Statement of Cash Flow for the year ended March 31, 2017

There were no material differences between the Cash Flow Statement presented under Ind AS and the previous GAAP.

Notes:

- Under the previous GAAP current investments were measured at lower of cost or fair value. Under Ind AS, these financial assets have been designated as measured at FVTPL. On the date of transition to Ind AS, these financial assets have been measured at their fair value which is higher than the cost as per the previous GAAP, resulting in an increase in the carrying amount by Rs. 10,191,000/- as at March 31, 2017. Also, due to restatement of investments at fair value as on 01st April, 2016, the profit on sale of investment have accordingly restated as compared to that reported under previous GAAP.
- Depreciation of Rs. 1,94,000/- charged to Statement of Profit and Loss is reversed on those assets that were classified as "Fixed Asset" as per Previous GAAP and now classified as "Assets held for Sale" in accordance with Ind AS.
- In accordance with IND AS prior period items is to be restated in previous period if they are pertaining to periods that are presented as comparative figures to financial Statements. Thus accordingly the prior period items are restated.
- Deferred taxes have been recognized on adjustments made on transition to Ind AS.
